

ZAGREB **ms**'20

Date: February 7th 2020

Symposium Venue: Hotel Westin,
Ulica Izidora Kršnjavog 1, 10000 Zagreb

Note: free participation

Dear colleagues and friends,

It is our pleasure to invite you to the symposium Multiple Sclerosis Treatment Algorithm. The main theme of this year symposium is going to be MS registries and their role in collecting data for comparison of different disease modifying therapy. As previously, we expect your participation through clinical case presentations relevant to the appropriate topic and an interesting discussion.

The main goal of the symposium is to provide the participants with theoretical and practical knowledge using evidence based medicine, and clinical cases which will be discussed with MS experts.

prof.dr.sc. Mario Habek
