Under the auspices of the President of the Republic of Croatia Kolinda Grabar-Kitarović

## Poštovane kolegice i kolege, dragi prijatelji,

čast nam je i zadovoljstvo pozvati Vas na Međunarodni kongres neuroloških bolesti i neurorestauracije koji će se održati od 10. - 13. svibnja 2019. godine u hotelu Neptun u Dubrovniku!

MEĐUNARODNI KONGRES NEUROLOŠKIH BOLESTI I NEURORESTAURACIJE jedinstven je međunarodni skup koji pokriva sva glavna područja neurologije, neuroznanosti i neurorestauracije: od neuroinflamacije, neurodegeneracije, ishemijskih bolesti, preko epilepsija i ekstrapiramidnih bolesti. Poseban naglasak Kongresa jest na trenutnim dometima u obnovi tkiva i funkcije (neurorestauracija). Jedinstvenost Kongresa se ogleda u tome što, po prvi puta, uz Medicinski fakultet u Zagrebu kao glavnog organizatora, kao su-organizatori nastupaju sve Klinike za neurologiju zagrebačkih kliničkih i bolničkih centara. Također smo ponosni što značajan broj stranih predavača koji dolaze iz najeminentnijih svjetskih centara, iz Europe, SAD i Azije. Dodatnu posebnost Kongresa donosi satelitski simpozij u organizaciji European Brain Council, krovne europske institucije u području istraživanja bolesti mozga.

Srdačan pozdrav i do skorog viđenja u Dubrovniku!

Prof. dr. sc. **Ervin Bilić**, prim. dr. med. specijalist neurolog  
Predstojnica Klinike za neurologiju Kliničkog bolničkog centra Zagreb  
i Medicinskog fakulteta Sveučilišta u Zagrebu

Prof. dr. sc. **Dinko Mitrečić**, dr. med.  
Voditelj Laboratorija za matične stanice, Sveučilište u Zagrebu Medicinski fakultet

## Dear colleagues and dear friends,

It is our great pleasure and honor to invite you to the International Conference on Neurological Disorders and Neurorestoration which will take place from May 10 -13, 2019 in Hotel Neptun, Dubrovnik!

International Conference on Neurological Disorders and Neurorestoration is a unique international meeting that covers all major areas of neurology, neuroscience and neurorestoration: neuroinflammation, neurodegeneration, ischemic diseases, paroxysmal and extrapyramidal diseases. The special emphasis of the Conference is on the current options of tissue and functional restoration (neurorestoration). The uniqueness of the Conference is reflected as well in the fact that, for the first time, the main organizer, University of Zagreb School of Medicine is supported by all the Clinics for Neurology of the Zagreb Clinical and Hospital Centers. We are also proud that many lectures will be delivered by speakers coming from the most eminent world centers, from Europe, the USA and Asia. An additional specialty of the Conference is the satellite symposium organized by the European Brain Council, European umbrella organization in brain disease research.

We look forward to seeing you in Dubrovnik!

Prof. **Ervin Bilic**, MD. PhD. neurologist  
Head of the Department of Neurology Clinical Hospital Center Zagreb,  
University of Zagreb School of Medicine

Prof. **Dinko Mitrecic**, MD. PhD.  
Head of the Laboratory for Stem Cells, University of Zagreb School of Medicine
