Dear colleagues and friends,

It is our special honor and sincere pleasure to invite you and your colleagues again on behalf of the Organizing Committee to the Seventh Rijeka Forum of Neurodegenerative Diseases organized by the Clinic of Neurology CHC Rijeka, Department of Neurology Medical Faculty University of Rijeka, Department of Biomedical Sciences in Rijeka of the Croatian Academy of Sciences and Arts.

Our goal is to present the latest developments and dilemmas in the field of neurodegenerative diseases with a special focus this year on mechanistic therapies - hype or hope and other news in neurodegenerative diseases, to improve our daily practical and scientific work. At the suggestion of the participants, we extended it to three days where the last day is dedicated to young neuroscientists and their research. We hope you enjoy the news in this important area of neurology.

We sincerely hope that you will join us and recommend this meeting to your colleagues.

Vladimira Vuletić
